## Voice & Data Systems Receives Unified Communication Industry's Top Award

*Technology Assurance Group  
Recognizes Voice & Data Systems as  
the Elite Provider at their 15<sup>th</sup> Annual  
Convention*

OMAHA, NE AND COUNCIL BLUFFS, IA — June 10, 2015 — Voice & Data Systems, a leading unified communications provider, announced today that the company received Technology Assurance Group's top award at the association's 15<sup>th</sup> Annual Convention event held in Savannah, GA in April. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected Voice & Data Systems as the winner of the Business Achievement Award for Exceptional Economic Performance & Customer Satisfaction. Voice & Data Systems was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The highly sought after awards, which are given out annually, are based on overall financial performance, customer

satisfaction, and the ability to provide customers with cost effective unified communication solutions. "In 2014, Voice & Data Systems experienced phenomenal growth that propelled them past the best companies in the industry," said Brian Suerth, President of Technology Assurance Group. "Voice & Data Systems' philosophy of providing technology solutions that increase their customers' profitability, improve employee productivity, and enhance brand image fueled the company's overall success. In addition to offering solutions with the purpose of accomplishing their customers' business objectives, they maintain a highly talented team of professionals that deliver world class service. Voice & Data Systems is an exceptional Member that is dedicated to acquiring best business practices that continually improve their organization. It was our privilege to showcase such a fine company at our annual event."

Steve Sawtell, President of Voice & Data Systems, and

Travis Wells, Vice President, accepted the award for the company. "We have worked extremely hard over the years to build a great company," stated Steve Sawtell. "We believe that if we focus on providing the best customer service possible the profits will come, I think in this case that's exactly what happened. Voice & Data Systems' customer centric focus, as well as our ability to stay on the pulse of technology, have enabled us to become our customers' trusted advisor. We attribute much of our success to the many benefits that we receive from our Membership in TAG. The organization enables us to quickly adopt new ways of doing business for the betterment of our customers and our people."

### **ABOUT VOICE & DATA SYSTEMS**

Voice & Data Systems provides state-of-the-art unified communications technology to businesses in the Omaha-Council Bluffs metro and surrounding communities. The company creates customized,

turnkey solutions specific to their customer's business for telephone systems, data networks, video surveillance and converged networking applications. Voice & Data Systems friendly, manufacturer-certified technicians are available 24/7 to serve business needs for communication systems as well as voice, data, fiber optic and video cabling, testing and troubleshooting.
